Laissez le bon temps rouler or “Let the good times roll” as only those in New Orleans know how! There’s a lot to explore in “The Big Easy” and we plan to show it to you! Stroll through the French Quarter while sipping your café latte or marvel at the gardens of the Southern antebellum mansions in the Garden District. Feel the goosebumps as we do the haunted French Quarter walking tour and savor the delicious food that New Orleans is so famous for! Next destination is Natchez, a city glistening with southern charm and grace. Nestled on the Mississippi River, Natchez is known for its beautiful homes and gardens. Lots of history! Lots of fun!
