Put on your boots and hat and come with us for a kickin' good time in Tennessee. Our first stop is Memphis, home of world famous Beale Street, Blues, and BBQ. But a stop in this city wouldn't be complete without visiting the home and final resting place of the King of Rock, Elvis Presley. After we visit Graceland, we'll continue east to Nashville. Here we'll visit the largest popular music museum in the world, the Country Music Hall of Fame and Museum, and enjoy the sights and sounds of the legendary Grand Ole Opry. While music is the lifeblood of Nashville, you'll also see a city of culture and history, of haute cuisine, natural beauty and pure Southern charm. Come with us and see why Nashville is alive...and feel its pulse!
